Project:

Civil Rights Cold Case Records and Collection Act

Sept 2019-Sept 2020

Legislative Activist

The Civil Rights Cold Case Records and Collections Act seeks to release records of unsolved, racially motivated murders.

- Drafted a legal brief for the eleventh circuit court to demonstrate legal enforceability of Cold Case Act in terms of Grand Jury Secrecy Laws and led team in drafting amicus curiae brief to influence case as a third party.
- Lobbied members of the Senate and House to fund the CRCCRA for fiscal year 2020. Received \$2 million in appropriations with plans for additional funding for coming years.
- Collaborated with Cold Case Records and Collection Act Group, reviewing law seeking to release Cold Case Records of unsolved, racially motivated murders from Civil Rights Era, researched court case record release laws.
